SUBJECT: Department of Defense Unified Facilities Criteria

Guidance for developing and maintaining unified facilities design and construction criteria for planning, design, construction, sustainment, restoration and modernization of Department of Defense facilities is set forth in MIL-STD-3007, "Department of Defense Standard Practice for Unified Facilities Criteria (UFC) and Unified Facilities Guide Specifications (UFGS)." The current version is dated April 1, 2002. Department of Defense 4270.1-M (September 1987), "Policy Guidelines for Installation Planning, Design, Construction and Upkeep," is hereby cancelled.

This Unified Facilities Criteria (UFC) and Unified Facilities Guide Specifications (UFGS) are to be used by the Military Departments, the Defense Agencies and the DoD Field Activities for planning, design, construction, sustainment, restoration, and modernization of facilities, regardless of funding source.

MIL-STD-3007 is available on the worldwide web at http://www.dsp.dla.mil (click "Online Specs," then use ASSIST Quick Search for "3007") or http://www.acq.osd.mil/ie/irm.
