# Outline

- Defense Standardization Workshop
- Continuous Learning Modules (CLMs)
- Mission Assistance

# Defense Standardization Workshop

- **Course Description:** The Defense Standardization Workshop (DSW) covers DoD policies and procedures for the development, management, and use of nongovernment standards, commercial item descriptions, and specifications and standards. Group practical exercises tailored to the customer's organization emphasize the application of standardization tools, policies, and procedures described in CLE 028 Market Research for Technical Personnel, CLE 064 Standardization in the Acquisition Lifecycle, and CLE 065 Standardization Documents.
- **Length:** 2 Day Course (14 Continuous Learning Points (CLP))
- **FFS Mission Assistance:**
  - Replaces PQM103/SYS120
  - Customer pays DAU expenses (materials and faculty travel)
- **Recommended Prerequisites:** CLE024, CLE064, CLE065, ASSIST On-Line account

# Defense Standardization Workshop

- **Introduction**
- **Stating Requirements**
  - Discussion and class knowledge review
- **Standardization Documents**
  - Discussion and class knowledge review
- **Commercial Item Descriptions**
  - Discussion
  - Group exercise review of CID tailored to customer
- **Specification Simulation**
  - Discussion
  - Group exercise Specification Simulation or group review of a specification tailored to customer
- **ASSIST**
  - Discussion
  - Exercise tailored to customer

# Continuous Learning Modules

## CLE028 – Market Research for Technical Personnel

- Describes market research from the perspective of technical personnel. It explains the practical value and discusses the government mandate to conduct market research. The course addresses market research team membership, sources for obtaining market data, and techniques for technical evaluation and documentation of market information.
- Recommended prerequisite for Defense Standardization Workshop
- Provides 4 CLP

# Continuous Learning Modules

## CLE064 – Standardization in the Acquisition Lifecycle

- Explore the role of effective standardization in defense acquisition and its contribution to program success. It introduces you to standardization and its application across phases of the acquisition life cycle, discusses standardization policy in the DoD and addresses the management and use of standardization documents.
- Recommended prerequisite for Defense Standardization workshop
- Provides 4 CLP

# Continuous Learning Modules

## CLE065 – Standardization Documents

- Covers technical details of the specific purpose of each type of document; how to distinguish each type of document based on the document identifier; general rules for stating requirements in standardization documents; policy regarding the adoption and use of Non-Government Standards; and format and content requirements for Commercial Item Descriptions, Defense Specifications, Defense Standards, and Defense Handbooks.
- Recommended prerequisite for Defense Standardization Workshop
- Provides 4 CLP

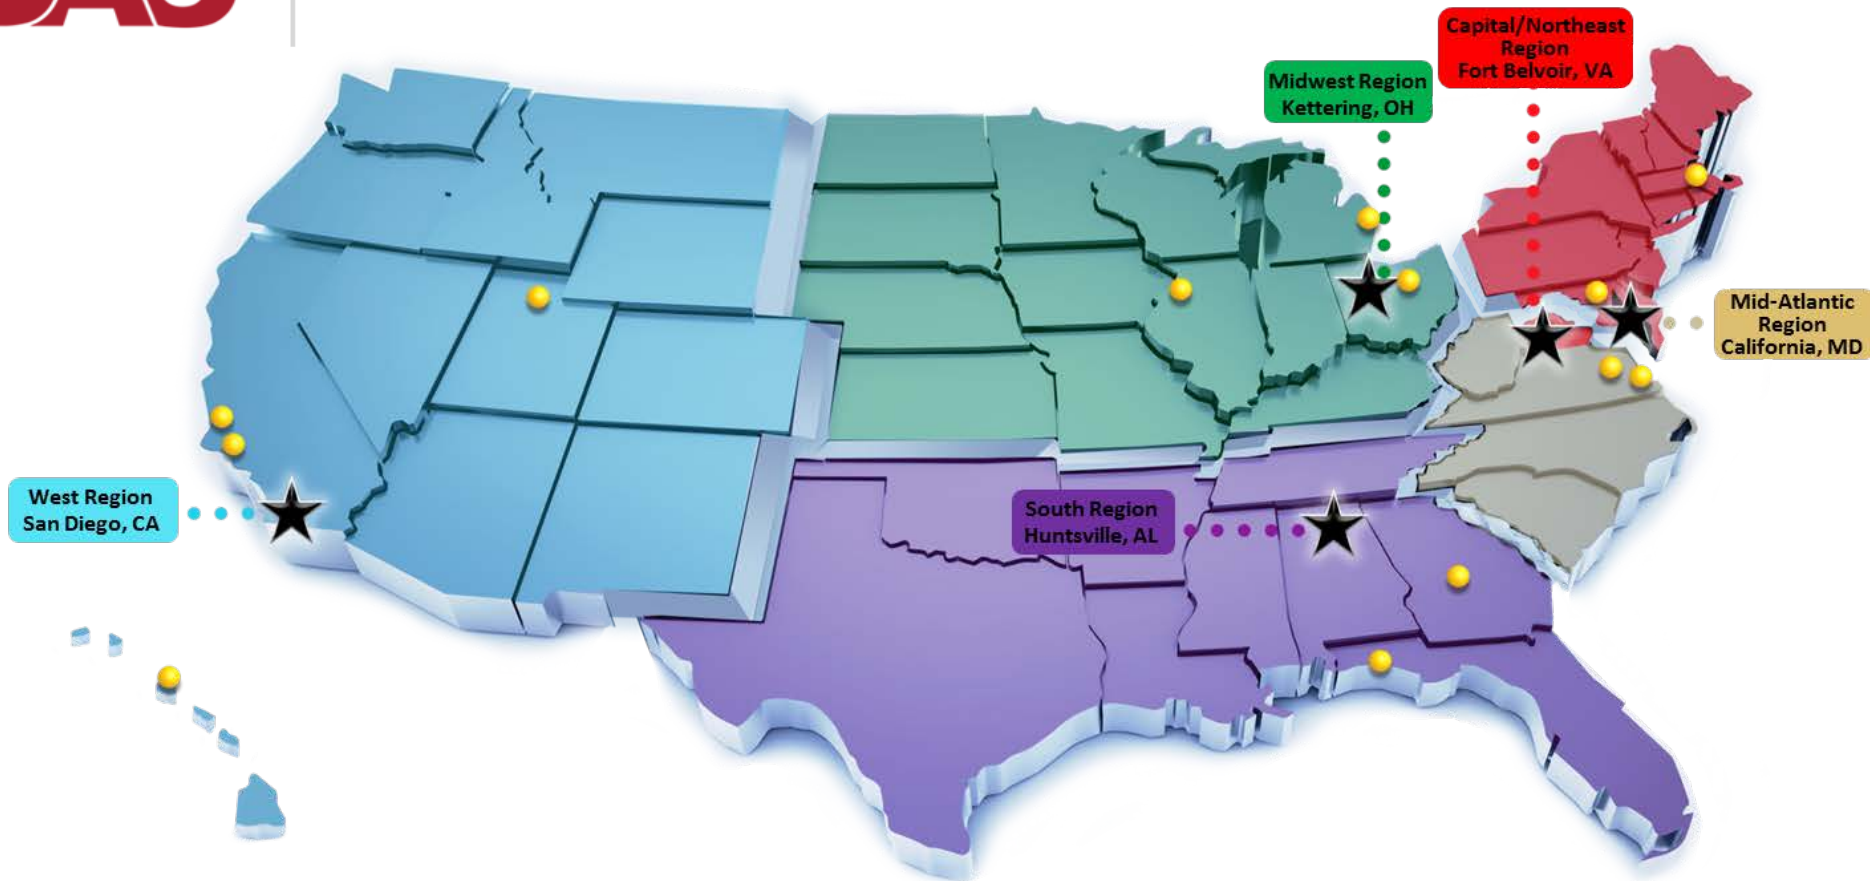

# Mission Assistance

- Catalog: <https://www.dau.mil/consulting-services/p/wkshps-sims>
- To schedule an offering contact the regional DAU Associate Dean for Outreach and Mission Assistance:
