Army Standardization

✓ **Efforts**
- Established triad: ASA(ALT) Office of the Chief Systems Engineer (OCSE), AFC CCDC, AMC
- Update DA policy on standards
- Codify roles, responsibilities, processes
- Maximize commercial (NGS) standards

✓ **Challenges**
- Optimize standards across the Army
- Centralization, de-centralization
- Compliance across the equipment's life cycle

✓ **Opportunities**
- Mandate use of RFP Standards Compendium
- Publish/Use Standards Digital Desktop Reference
- Implement across Army
